Painesville, Ohio

Wholesale List

Fall, 1918

PIG TO T

Visitors and customers are always welcome.

Cleveland and Painesville electric car stop 74 in front of grounds.

ALL NICE FIELD GROWN

Excepting Peonies, No Perennials Sold in Quantities Less Than Six of a Variety.

្តិបៈសា	per doz.	100
ACHILLEA Boule de Neige (Ball of Snow)—An improvement on the Pearl. Wonderful for		
cut flowers or garden.	.75	5.00
ALYSSUM Saxatile Compactum—An indispensable plant for the rockery or border, grewing 1 foot high and producing in May masses of broad, flat heads of bright yellow		
flowers.	.75	5.00
ANCHUSA Italica, Opal—A tall-growing, beautiful for get-me-not, light blue, extra fine.	1.00	7.00
ANEMONE Japonica (Wood Flower)—A most valuable class of hardy plants.		
Alba-Purest white with yellow center.	.85	6.00
Queen Charlotte-Flowers semi-double, broad and perfectly formed of that pleasing		
shade of pink found in La France Rose.	.85	6.00
ANTHEMIS Tinctoria (Marguerite)—Show two color yellow daisy-like flower.	.75	5.00
AQUILEGIAS or COLUMBINES—The Columbines are one of the most elegant and beautiful of hardy plants, and usually make themselves at home in any hardy border. Their period of flowering covers the late spring and early summer months. Taken as a whole, they are a most important part of the hardy garden, and should be grown in quantity by every lover of old-fashioned garden flowers.		
Canadensis (Common American Columbine)—The native bright red and yellow variety.	.75	5.00
Chrysantha—White long-spurred flowers.	.75	5.00
Chrysantha—Yellow long spurred flowers.	.75	5.00
Helenae Hybrids—Mostly blue shades.	.75	5.00
Long-spurred Hybrids—A magnificent strain in many beautiful shades.	.75	5.00
Skinneri (Mexican Columbine)—Yellow with long orange-red spurs.	.75	5.00
ASTERS, Hardy. Fall-flowering (Michaelmas Daisies)—These are among the showiest of our late-flowering hardy plants, giving a wealth of bloom during September and October.		
Abendrote—Rosy-red flowers; plants about 3 to 4 feet.	.75	5.00
NEW HARDY ASTER CLIMAX—A wonderful new flowered light blue Hardy Aster. Without question the most showy of all. These plants will give perfect satisfaction the	•••	0.00
first year.	1.50	12.00
Novae Angliae—Bright purple, 4 ft.	.75	5.00
" Pink. A tall growing fine rose pink.	.75	5.00
Ptarmicoides Major - White, fine for cutting. Very dwarf.	.75	5.00
St. Edgwin—A recent introduction, and one of the finest. Plants are densely branched,		
covered with beautiful pink flowers; 3 feet; September.	1.50	12.00
White Queen—White, fine, 3 to 4 ft.	.75	5.00
BAPTISIA Australis (False Indigo)—A strong growing plant, about 2 feet high; suitable either for the border or wild garden, with dark green, deeply cut foliage and spikes		
of dark blue, lupine-like flowers.	.85	6.00
BLUE BELLS-See Mertensia Virginica	.75	4.00
